“ *I imagine there will be many people saying the same wonderful things about Felicia. She was a beautiful soul and a lovely human. She had a way of making you feel joy just by having a conversation with her. I don't think I ever saw her without a smile or didn't hear it in her voice over the phone. Her loss is felt by so many, and her presence will be so very missed. The one thing that keeps popping in my mind is her laugh. It was a cross between a chuckle and a giggle and it always made me laugh.  
My deepest condolences to her family that she cherished so much.*
