“ Jennifer, Nat and Nicole I am sending you my most sincere condolences. I am praying for your family. What I do know is that through knowing you, I feel I know each of your parents-your guardian angels who now look out for you all in a different way. I know they raised you to be strong, kind, loving and generous in spirit. The beautiful spirit each of you carries is a testimony to your wonderful beginnings. Know that I am thinking of you and praying for you in this most difficult time. I love you guys to life.
