

Mr. Floyd Harold Morton

November 8, 1931 - November 29, 2017

A service celebrating the life of Floyd Harold Morton:

Floyd Harold Morton was born on November 8, 1931 to Abe and Johnella Morton in Sheffield, Alabama. He attended and graduated from Tennessee State University. He also served our country in the United States Army.

He moved to Michigan as an adult and worked for General Motors Corporation before he retired. He was one of the few educated professional back men working at GM as a salaried senior corporate buyer during his time of employment. After his retirement, he enjoyed playing golf, watching all types of sports on television and was active with the Northland Mall Walkers Club. He also had a kind heart and helped friends and neighbors whenever he could.

Floyd accepted Christ and he was a longtime and active member of Trinity Missionary Baptist Church in Pontiac, MI where he served on the senior usher board until his illness kept him from attending regularly.

He met a vivacious woman named Betty in the early 90s. After being longtime good friends for years they married. Floyd and Betty were a cute couple and gave lots of smiles and laughter to all who spent time with them. Through Betty, Floyd inherited two daughters, a son-in-law, four grandchildren who refer to him as "Papa Floyd" and love him like a father and grandfather.
