“ *My deepest sympathy to the Nelams family. Forrest Jr. has been one of my best friends and like a brother to me over the years through High School and College. Mr. Nelams let me come into his house when I was home from college and he and Mrs. Nelams treated me like a member of the family. I will always remember the good times I had at the Nelams house. Peace be with you PIPS. (that what we called him back in the day.) smile.*

“ I have always known Forrest as "Blue"....he was one of my dad's friends (James aka 52) at Rouge Steele. He use to come over and visit with my dad and they shared many laughs and jokes. He always treated us like family. I was saddened to hear of his passing. May he indeed rest in peace.
