“ Frances used to always call me baby Guess and that's because I was a grown woman that was still able to fit the kids Guess jeans even though the pockets was little. Lol. I will never forget that. That always made me smile! Love Vandapooh ❤️

“ Auntie had the best laugh. Her smile and her sense of humor are the memories that will comfort and bring all of us peace in the days ahead. One thing she taught us is to love hard and laugh often. She will truly be missed! With love and sincere condolences
