“ *Daddy you left to soon but god saw fit to come and take you home. No more aches and pains nor suffering even though it left a hole in my heart I will never forget you and the talks and laughter that we shared together in person and on the phone. I miss you so much and love you but god knows best. Things will never be the same without you being here my heart is so broken I love you*

“ I didn't get to see granddaddy as often as I would have liked, but I do have fond memories of him occasionally coming to visit us in Tuscaloosa when I was younger. The last time I saw granddaddy was when my daddy, his son, died. It was a joy to see him. He ALWAYS asked about my children and I. That was a demonstration of his love for us. May he rest in peace, and my family be strengthened during this time of loss. I love you granddaddy Frank

“ Uncle Frank visited us and stayed with us briefly in Tuscaloosa with Mom and Dad, Willie and Velma Clemons . I always called him Uncle Bae Bae. He was kind and very loving. We named Uncle Bae Bae our best looking uncle.
