“ *We were kids together in our family and it seems like a life time ago. The memories of laughter and running around and just being kids at heart was the best joy of them all. Being kids every weekend as our parents would also laugh together, life was simple then. Those are the memories that I will cherish forever. We all were cousins, but we were all friends at heart!*

“ You never said I’m leaving
You never said goodbye
You were gone before we knew it
And only God knows why.

*In life I loved you dearly
In death I love you still.
In my heart I hold a place
That you can only fill.*

*It broke my heart to loose you
But you didn’t go alone.
A part of me went with you
When god called you home.*

*Missing you always Daddy
Forever your little girl 💕💔*
