“ *My heart was extremely heavy when I learned of Franklin's passing. The memories I have of the moments that I spent in his presence will forever be treasured. He taught me that anything was possible, if I had the courage to act, the determination to pursue, and the persistence to prevail-I could and would be successful. He is why I worked so hard to attend Harvard. I don't know anyone who has the integrity and character of Franklin. I am so blessed to have had the opportunity to know him and to call him family. My heart-filled prayers go out to Bobby, Frankie and Wendi. Love always, ~ Angela*

“ *Bobby, Franklin (Frankie) and Wendi,
We truly treasured your your dad, through the years. He gave an excellent example of what friendship was all about. Words cannot express our families feelings toward him.
I personally can say that they don't build men like him today. Strong in stature, integrity and will. Our prayers and thoughts are will you all.*

Sincerely,

Michael & Jill Steen
