“ *Donnell,*

We will remember your kindness. You're more than a cousin to my son Will. More like brothers in every way. Grew up together. You both were room mates in your apartment in Southfield and later, Business Partners in the Barber shop. Had each others back. Thank you for being there for all of us. Thank you for spreading so much joy to us when we needed to be cheered up.

*Love you Always,
Cousin Evon Lee-Williams*

“ *Condolences and prayers to my dear friend Elaine. God blessed you with a wonderful son who touched many lives in a positive way. He always had a smile on his face whenever I saw him. He was a hard working caring person , who loved people and definitely loved and cherished his momma. Remember, his character was developed based your example. I can only imagine the void you feel. I hope you know how much Donnell is loved and so are you. May God bless you with comfort and Loving care during this difficult season.*

Love always,

Your friend and former co-worker,
