“ *"I always waited on your call. You laughed and said I would hear from you again....."*

Fred always made me sing to him. It would be anything from Beyonce to Swiffer sweeper jingles. He didn't care. It was always fun!

I dreamed of him a month ago. Inside that dream he apologized for not having called and that I didn't have to wait anymore. I was horrified by what he meant and woke up in tears. That morning I called his phone, googled his name, searched Facebook and MySpace pages for any clue. It was only hours later I saw this obituary.....

I miss you and prayed for you. Love you!

“*Rev 21:4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.*” *This scripture has brought me much comfort over the years helping me cope with the lost of a loved one. My deepest condolences are with your family.*
