Celebrating The Life Of Ireland Lee Pridgen

The providential will of our Lord and Savior was fulfilled in the lives of Lenna Pridgen and Freddie Graham Jr. when on August 12, 2000 in Detroit, Michigan they were blessed with their only son, Freland Pridgen, who later became known to many as Dooda.

Freland attended Henry Ford Academy (School for Creative Studies), Detroit Public Safety School, Michigan Collegiate, Woodward Academy, Mason Elementary and Marshall Elementary.

Freland confessed his life to Christ and was a member of Cedar Christian Church under the pastorate of Henry Hall Jr.

Freland was such a great young man. He was always sweet, kind and respectful. If you needed help with anything, he was right there to help. Freland loved two things the most, his game and food. Although he loved his game, he never steered from his dream of being a carpenter.

Dooda touched so many lives with his love, hugs, and laughs. He would say, "I'm this big so you can FEED ME, FEED ME."

Dooda's smile was like a ray of sunshine. He touched so many lives in very

special ways.

The Lord called Freland home on Saturday, November 26, 2016.

“ Dear sweet Freeland. You are an angel in heaven now as you were right here on earth. You came into my life when you were only about 7 years old. You swam and played with my niece's back then, and now my grandsons. Even that young, always, a polite, caring young gentleman. You are Dyson's big brother and Best Friend. The best male role model he's ever had. His heart is breaking. He already misses you so much. You will always be loved, and in our hearts and thoughts and memories. So many great memories. RIP sweet boy. LOVE joanie.
