“ *Gail I will miss seeing you in the neighborhood out and about. I will miss your dancing eyes when you smile and your picture perfect face. Your kind words when we would see one another. Gone too soon.*

Although I knew you as a child it was always a delight to see you in my adult years. You will be missed. Rest in Paradise

“ *Toby and Sheilla,*

Your Mom and I have been friends since grade school and although I'm now living in Jamaica we remained in touch. She was such a beautiful person both inside and outward. I'm going to really miss her. May you RIP my dearest friend.

My prayers are with the both of you and Alvin that God will provide you with strength during this time.
