“ We're so very shocked, saddened and in utter disbelief about the release of life of our dear friend from childhood and "play cousin" Gail Elaine Watkins. We share a multitude of special memories of Gail with our initial meeting at Peck Elementary, and playing everyday in the neighborhood, going to Ziggy Johnson's Dance School and our mothers' becoming great friends. We're sending and surrounding the Watkins family with heartfelt hugs and an abundance of Blessings, prayers and strength to make it through this most difficult time, especially noting that yesterday would've been her birthday...Peace, love and special hugs to her children to stay united and strong, cause "ain't nobody like Momma!"
