“ *This is your son in law letting u know u will be turkey missed and that your daughter is in good hands. Thank u for allowing me too marry your one and only daughter. The short time we spent together was priceless especially the Chicago trip. I remember you asking me what I know about all the old school music we were listening too on our way too Chicago. I feel so sad that we didn't have a chance too take more trips. The last words I remeber you telling me was thank you son for everything and when I get home we are going too do some things. R.i.h. Dad truly one of the best men I ever had the pleasure of sharing life with.*

“ *I remember how your face would light up when I entered the room. No matter the day you always told me I was beautiful and your baby. I will forever miss you and love you dad.*
