“ *My Dearest Gary, our lives have been connected since those wonderful days in elementary school when you pulled my braids & I only pretended to be annoyed..I can't imagine a world without you! Your departure so unexpected leaves an ache that only precious memories can fill. May your gentle giant spirit and love give a special comfort to your beautiful daughter, grands & family as we celebrate your life and journey home to Jesus! 🙏 I miss you severely but will hold you in my 💕 and thoughts as a smile & light always with gratitude for the gift of your friendship & life! Your forever friend & Seattle family, Cornelia*
