“ *To my family
we will miss Gen very much but we have so many good and funny memories of her, she was a dedicated wife and mother. I can still here her saying its time for yol to go home, I have to get Dozier's warm ups ready and we would all take off running to our homes before 1:15a, 40 years later and I still remember the time Dozier would be getting off work and coming around that corner. To Dozier, You took such good care of Gen, you are a wonderful Husband and Father. I looked up the word MAN and there I found a picture of you. The Larry family would like for you to know that your family will be forever in our prayers.*

“ Dear Jones Family

I am very sorry to hear about the lost of your dear loved one. It is hard losing someone so dear so I would like to share with you some comforting words from the bible. It's held at Revelation 21:4, and It says " And he will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore. The former things have passed away". I personally love and find comfort in this scripture because he helps us to appreciate that soon our heavenly father Jehovah will bring an end to death forever. Can you imagine having to never deal with that pain anymore. No more will we have to live with losing our loved ones and that is truly beautiful and something to look forward to. Therefore whenever you feel sad just think about the wonderful promise that our heavenly father gave and find comfort in the Scriptures to help you cope until he full full his promise.
