“ *Huggie was really a good cool man. My husband and I will never forget him. We first met Huggie about a year ago when we decided to have our wedding reception at The Key Club. He was extremely helpful with the venue and the menu from Steves Soul Food. He made sure we got everything we wanted right down to the pan of yams I wanted. Everything was beautiful. We enjoyed kicking it with Huggie after each one of our meetings. He was really a cool laid back guy. We are praying for his family during this time. In Jesus name.*

Wow! It's still unbelievable to me. I am truley missing him. Even though we did'nt see much of each other these last few years, yet when I would drop by or I call him it was just like we seen each other yesterday. He was my friend. My mind went back to Grand River days when I first we first met and when I worked for him at the Paradise Club. Boy were those the days! I never forget him. Much Luv!!!
