“ *What a Blessing it was that George, one of the pioneers of New Hope Baptist Church (S'field. MI), those cherished memories . and his legacy he leaves behind there. "May the Work I've Done Speak For Me". "Well Done" Now may he rest in peace with our Lord, Savior. Prayers and condolences are with the families during their time of sorrow. May the Lord give them the strength and comfort with each passing day.*

“ *My condolences to the family. I first met George when I joined New Hope. It only consisted of a few family members and a few friends, that had a vision for the church and I knew that I wanted to be part of that vision. George and I sang in the male choir for some years. I'm forever thankful to God for blessing me to have shared this journey with him. Rest in peace my friend.*

“ I will always miss how your face always used to light when I walked into see you and you would always give me such a great be smile and hug ,kiss on my forehead. You have always been the epitome of what a great man, great husband, father, grandfather and uncle should be. I am thankful for all the wonderful memories we shared but I know God definitely got an Angel the day he chose you. Today I do cry tears because I miss you so so much but I know that you will always be with me forever. Now you can rest peacefully. Love
