Celebrating The Life Of George Willie Ivory, Sr.:

Mr. George Willie Ivory Sr. was born into this world on August 11, 1944, to the late Irene and Ethel Ivory Sr. in Edwards, Mississippi. George was a GOD-fearing man! He accepted Christ at an early age. He attended Hinds County Agriculture where he graduated from. George continued his path on education at Utica Junior College for the next couple years.

George had a heart of gold you didn't have to tell him when something was bothering you he had a nature of noticing it. If he couldn't help you, he would find a way to lessen your worries. George enjoyed his life spending time with family and just being the ROCK for his entire family.

In time George decided to move to Detroit, MI to pursue a career with Detroit Diesel for over 25 years where he retired. George's personality always left a lasting impression to anyone that came in his path. He kept a smile on his face that would light up a room. George will always be remembered for the love, and the dedication he gave to his family and friends. George has played key roles in all of our lives and will always be remembered for the man he was. George also helped raise generations of family members and there was not a soul that he didn't care for.

George left this earth and went on to heaven to help uplift the spirits of the

family members that are no longer with us on June 4, 2016.
