“ *A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. Praying that the LORD will give you strength during this time. I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. “ Family, we are with you all and you're in our thoughts and prayers during this time of loss. Cousin George was the first relative I know who taught us the importance of researching our family history. I can remember him spending more than a decade digging and digging for Nash and other sir name family history. We were blessed to spend some time with him in the spring of this year while in Detroit for my great uncle's funeral. I have a recording made during the visit I will cherish for life. We will always love Cousin George Dewey Lacefield Jr and miss him. Cousin J A (Tony) Young, Little Rock, AR
