“ *I last spoke with Tony the day before Easter. I knew Tony for a relatively short time but we had become rather close friends. We often shared our concerns and philosophies about life and the lives of others. Whenever I needed "advice" about something that was troubling me, I turned to Tony for he was very wise, honest and non-judgmental. My fondest memory will be going to see "Titanic" in 3D together at the Henry Ford last year.*

*I was truly shocked to hear of his passing. He will be missed tremendously. My heartfelt condolences go out to his family and loved ones.*
