“ *Dear Auntie, I will not say goodbye, just see you later. Give daddy a hug for me. To be absent from the body is to be present with the Lord, but we (I) will miss you so much. Thank you for always being there for me. Thank you for remembering EVERYTHING and EVERYBODY!!! I think there were times I almost forget, but you'll call and say, hey, isn't it someone's such and such today :) You've kept me calm during the loss of my husband, my mom, my doggies. How can I forget all of the cards??? I remember when Mark (RIP) made it to your card list for his birthday. Ah man, I was like, you're really family now! What do I do now? I know you would be like, child, God knows best, and to keep living. I would rather have you here, but God has called you home to rest. You have done an amazing job! Thank you for your kindness, graciousness, and your love.*
