“ Geri/ Geraldine was my neighbor for so many years. Even with her declining health issues she had a warm smile and a pleasant word for you. God Bless Dennis and other family with happy memories.

“ Hey Auntie Geri, words cant express the sudden loss of you leaving the physical world but I know where you are now is beyond anything greater than we could imagine. You were always so fun and so young at heart. I remember you hating to be called old or even listening to "older music" especially around your nieces and nephews. You always said "why are we listening to this old stuff cut on something that bumps !! Get all that old slow mess outta here!" LOL. We loved you for it and we loved that you never let your age determine your youthfulness. We love you and will miss you dearly. Your nephew -Dontel

“ *My Beautiful Sister,*

I just cannot believe I'll never see your face, hear your laughter and voice, I'll miss kissing you on your cheek as we greet each other. I'll miss the long conversations of reminiscing on growing up on Majestic, our parents and among other things. I'll never get over losing you so soon. I just knew we had so many more tears together.

*I love you and miss you so much.
