“ My heart felt condolences to the entire family.
It was just after eleven at night when I got word of Gertie going home to be with the Lord. My son asked about you last week and I said that I had called and didn't get you, usually I will call the desk and they would walk down and I would call back and we would talk about the good times. The sunrise services, midnight prayer, all the time that we spent in church. We had some wonderful times and memories. The last time we talked..we were laughing about when you got the holy ghost at work...oh..Gertie must have lost her mind letting that bacon fall off that belt on the floor. Bishop Bonner loved your testimony also. When he would be live on tv he would say..go get sister Barnes. He would ask..what did they do to you daughter..laughing so hard. My heart hurt knowing that you are gone to be with the Lord...But I know that you are at peace, happy and having a hallelujah time! My children and I love you Gertie.

“ To Dorothy Cooper,

There's a special place in all of our hearts for our mothers, just like there's a special place in every mother's heart for her children. You must continue to carry her memory in that special place in your heart. There is no more suffering or sorrow. I know you'll cherish your memories with her because the love will stay with you forever. She's with the Father and May God bless and comfort you and your family during this time of grief. Sending healing prayers and comforting hugs and my most sincere condolences.

“ *"I thought of you today; I thought of you with love today; but that is nothing new; I thought of you yesterday and days before that too. I think of you in silence and I often speak your name. All I have are memories and your picture in a frame, but your memory is my keepsake with which I'll never part. Now, God has you in his keeping and I have you in my heart"*.

“ *RIP Ma Gator. We never met, but I had the awesome privilege of knowing two of your beautiful daughters (Dot and Ruby) and grand daughters. As the saying goes - “the apple doesn’t fall far from its tree”, you raised elegant, classy and God fearing Women. Thank you for being a great Mom to many. May you rest in Glory.*

“ *Dear Grandma,*

As sad as it feels to see you go, I know you're in heaven looking down on us. You always found a way to put a smile on my face, and there will never be a day that I won't remember those moments. Each time I would visit, you would talk about the day you will get to be with the Lord; and now you can rest your soul in His arms. You can be very proud that your are leaving behind a very strong and caring family. I promise we will continue to make you proud, no matter what. Finally grandma, don't worry about us because we will remain a strong family unit, as you taught us. I love you so much and will miss you and that pink house:-).

Julia (your granddaughter)*

“ Dearest Mom:

That little pink house on Anglin in Detroit, with the concrete goose on the front lawn (that you decorated with her yellow raincoat for Spring and 4th of July outfit each year) welcomed MANY family and friends for good food, conversation and laughter. Because of you, it was like a magnet for OLD and NEW friends alike; a respite for those of us that just wanted to take a drive and have a warm conversation with someone we knew would be there to listen and laugh with us. That home and our lives will never be the same again and we will miss you dearly!

*- Your Daughter & Friend Perpetually,
Dorothy (Dot)*
