“ *Tiffany & Family*

My thoughts prayers are with you and the family today as I know it won't be easy.

Just know that you're grandmother knows that YOU took care her the best you could and from what I seen and witnessed you did an excellent job and did it all out of love expecting nothing in return and that in it self was more than most would have done, so yes today will be tough and I know you will shed many tears but don't ever shed one of regret because your grandmother is proud of you and she knows you showed her love while she was here with you. God choose you to take care of her because he knew you would, so try and smile a little today because GOD & Grandma are looking down on you today saying " Job well Done and Thank you my child "

Prayers are for your strength today because I care about you not because you're not strong 🍊!!!

“ Our deepest condolence to the family. May the God of all comfort take care of you all during this difficult time. Gladys was a sister who never turned down a request by church leadership. If needed to serve on a committee or plant flowers at the church, she was a willing worker. We loved her and were blessed to have been recipients of her kind, gentle, and diplomatic ways.

May our Lord mend and bind your grieving hearts with his peace and and loving kindness

From Mother Vata Crawford and family of God's Holy Tabernacle.
