“ *To Loretta, Oliver and Family- I am so sorry to hear of your Mom's passing and pray that the wonderful memories of a life well lived sustain and keep you at this most difficult time. Our mothers are our first friend and lifelong cheerleader and I know how hard it is to lose such a treasure. But we know that love never dies and we have the promise of a life beyond this one. May God keep you all in His Perfect peace. With Deepest Sympathy-Clotielde*

“ *I remember the first time I met Sugar, she was sitting on Loretta's porch and laughed because I was picking on Loretta. She told me keep her on her toes. I did not see her often but will miss her just the same, she reminded me of my aunt Belle, I hope they are together in heaven they would like each other. Loretta, you and your family are in my prayers.*
