“ *Poem from his oldest daughter Like a marriage ,his marriage and life, Something old ,he was 63 years old and his marriage was 41 years old. , Something borrowed,he was someone borrowed for a short time to us, Something blue, Someone now wearing permeantly blue and risen in the blue sky,that told us all about sad and happy times. Something new ,He was renewed forever more in God eyes*

“Glen and Mattie were the first neighbors to talk to us after we moved into the neighborhood. They have been so kind. Glen had the best sense of humor and his laugh was contagious. We will miss him every day. Our prayers are with Mattie and her family. We love you and are here for you!

“ Glenn was a fellow employee at The City of Southfield. He used to tell me what Gospel tape to buy, in which i found out he could sing as well. Always made you laugh about something. He is resting with the Lord now.

“ Glen was an amazing person. We worked together for many years. At times he was my preacher, my teacher, my spiritual guide, but he was Always my brother and my friend. May you rest in peace, and rest in the palm of Gods hand. Tom Donnelly
