“ *The Bright family has such an appropriate name, because all of the family members have such a bright persona. Gloria was no exception. Her light shined very brightly. She always had a smile, joke, kind word, or was extending herself to help in any way. She was very loved and appreciated, and will be sorely missed. I was very sad to here of her passing, but I take comfort in knowing that her suffering has ended. I send my sincere condolences to the family who are suffering her loss.*

*To the family, she will be dearly miss by me. Her words of encouragement, her laughter, her funny jokes, her spirit and her love of life can't be done the way she did. We can find comfort in her knowledge and acceptance of Christ. Be comforted that she is safe in his arm.*

“ To the family of Gloria Bright....words cannot express my feelings and shock when I found out about the passing of Gloria. It wasn't that long ago that I spoke with her at church.
