MR

“ Hey Mommy....you probably know by now but Sheryl Cunningham, your ex-husband's, ex-wife passed away September 2, 2019... funeral service was so sad. I was crying for the both of you. You now Ms. Cunningham was so nice to me n Tee. She loved us, and you, like we were her own. Tee made a joke n said, now Roman got both of his wives with him, lol. I know what you're saying, that wasn't my husband....yes he was mama. You married him when I was 3 years old and got divorced when I was 15/16 years old. He helped you raise us... now, all y'all in heaven. Can't wait to see you again. You Diane and them put us in the obituary and the had a projector going. Had pictures of Raivyn, me n Tee, you n Sheryl, n me, u, Tee, n Raivyn together. When we saw your picture pop up on that screen, we lost it. Just wanted to let you know the latest. Talk to you soon.. love you

“ Hey mama, just thinking of you as always. Haven't spoken to you n a while, but u know I love you soooooo much...JUST AIN'T FAIR

Mitzi Roberts - July 11, 2019 at 08:15 AM

MR

“ Hey mama. Thinking of you as usual. Really can't understand why I just can't let u rest in peace. Heart so sad without you. Just by me talking to you right now, tears are about to fall from my eyes. NEVER KNEW IT WOULD BE THIS HARD!!!! Just texted ur daughter n apologized for cussing n yelling at her yesterday. It just hurt me so bad that I asked her to play one number for me yesterday, (she didn't), n of course it came out straight. Mama, she works right next to the lottery machine. All she had to do was just walk a few steps over n play the number. I realize that I can't get mad at her (foreal), cuz I should've played my own number..I cried like a baby. It's just that I need a car so bad n that money would've really helped. Guess it wasn't meant for me. Same thing happened exactly a month ago. I didn't play my number, tryna get ready for Dooda's birthday party, n my number came straight that day too. When it's my time, it'll happen. Just wanted to get that off my chest. I know you wouldn't want me to be mad at ur daughter. I love n miss u something terrible. Life just ain't the same.

“ Hey Gloria Jean. I was just sitting up in bed thinking of you, as usual. I've been feeling a certain type of way for the last week or so..of course, been crying a lot, (u know I'm a cry baby anyway, lol). I guess it's because its getting close to a year since you've been gone. **MAMA, I STILL CANT BELIEVE YOU'RE GONE!!!!!!! I JUST CANT BELIEVE IT!!!!** You left too soon. We had so much more time to spend together. Me and Tee are really going through it. You know Raivyn is strong like you when it comes to showing feelings, but trust in believe, she's going through it too. Y'all relationship was that of a different time n generation, but that was your first and only granddaughter and we all know how you treasured her. She goes through her thing alone. I catch her now and then breaking down, but she's more private with hers..its a trip ma cuz there are so many people that still don't know you're gone. This is the hardest thing EVER, ant of us has had to deal with. We go through the every day things but only God knows how we do it. My heart breaks every single day for you, missing you, wishing you were here, especially to c ur great grandson. Mama he is so amazing. He's such a happy baby. He does things that reminds us of u all the time. We know ur watching over him, and us. Just wish you were physically here. Ok, I'm crying now so I'll talk with you later. **LOVE ALWAYS AND FOREVER!!!!**

I'm going to say thank GOD for you and your daughters. And granddaughter. Also from what I hear your great grandson. Who I never seen. But I'm sure he is a Blessing from GOD. I love you always. I was going through some things with my family Britney was leaving for San Antonio Texas and my mom was dealing with cancer and chemo and radiation doing that time. But I have always had you and your family in my Prayers. And still do. We had our own relationship and talked about different things including GOD and different believe. Just know that I was Praying for you in your illness. And your passing. I will always love you and your family. Even if they don't fell the same way. I will continue to Pray for them and me to ment pass issues. Know I love you always. And continue to Pray for comfort and peace with your daughters and grandson. I LOVE YOU ALWAYS!!!! R. I. P. Say hello to my dad.

“Gloria today, Sept. 26, 2015, after many, many years, you ran across my mind. I looked for you on the internet and I found you had gone on to be with the Lord. I thought of the fun times we had working at Motown on Woodward. You were a really good friend to me, always laughing and joking. I wish we had stayed in touch but I guess Life got in the way. I see through reading your memory book that your family dearly misses you, especially Mitzi. So that says to me that you were a wonderful Mom and Grandmom and you stayed sweet, loving and kind because Mitzi writes to you often! Mitzi when we pass from this world, we take our last breath and then we are in the next one. So, your Mom is only a breath away. She is your guardian angel watching over the family. Live a good God filled life and you will one day see her again. Gloria I will see you one day (but not soon) in Heaven where there are no fears, no tears and no regrets in Heaven. Keep God laughing girl.

*Mitzi you are so very welcome. I pray that God gives you strength to get through this. Believe me, I know it's tough. If you need to talk, I'm at moodykind@aol.com. I will give you my phone number when you write. Stay strong, stay good and stay faithful. Your Mom is watching over you and she is smiling and proud. I know because that was always her spirit. You should never let her go, just keep her close in your heart and go on with your life. When you are over the grief, Celebrate her life. Soon if you are still grieving, I would suggest you join a grief support group. It helps a lot.
Stay Blessed
