“ *I remember the 4th of July before you where born Yawanna. Your mom and daddy to have a party for family and friends. We were all dancing, singing and your daddy was cooking bar-b-que. Your mom left the backyard to go into the house for something. When she came down to steps. She slipped and fell back on the steps. The party stopped!! We all went to running other and saying: “ Are you alright, Are you alright. Your mom said yes! “. But none the less. Your daddy got her to go to the hospital. We were waiting for you to be born that night. But, you decided to arrive three days later. Love you and the family Jackie Morant ❤️❤️❤️*
