“ *Gloria and I are baby boomers. It was easy to find ways for entertainment that cost little or no money at all. We could walk and talk for hours. It was our sophomore year in high school and we decided to walk to downtown Wayne to window shop. We went to the most expensive store Stuarts, looking and trying on several outfits. We laughed and had so much fun because we didn't have enough money between us to pay the 4% sales tax on not one item in that store. If you knew Gloria you are aware she was an accomplished seamstress who could have copied any outfit in that store. In addition she could knit , crochet and quilt anything with a needle and thread. Her talents also included excellence in food preparation, gardening and decorating. God needed another Angel so He called my friend home.*

“ *To the family I am sorry for your loss. May close friends and fond memories sustain you during this difficult time and may God comfort and surround you with peace and hope. Gloria was a good friend since we were in grade school. May you rest in peace until we meet again. Gilbert Beanum*

“ *My deepest sympathy to the family in the loss of your dear loved one. God saw his angel was getting tired and he called her home to join so many others. She has been my friend since we started Kindergarten together September 1951. I will miss her until we meet again. Denise Beanum -LeDoux*
