“ *Golda has been a very good friend and mother figure to me and my family when we lived in Detroit.*

I have learned so many things from her.

She sewed my clothes for me, when I could not find anything to fit me.

She cooked many delicious dishes for many of my parties. She even taught me how to make coo coo and fish, Bajan style.

I loved her dearly.

Sorry I am unable to fly at this time to attend the funeral.

My condolences to the family and loved ones as you celebrate her life today.

Love you Golda, May you rest in peace
