

Ms. Grace Mae Walker

November 28, 1932 - September 16, 2020

In Loving Memory Of:

Grace Mae Walker was the fourth oldest child born to the late Maggie and Flitcie Kirby on November 28, 1932 in Detroit, Michigan. Grace attended Detroit Public Schools. On July 1, 1950, she was united in marriage to Tommie Walker Jr. and, to this union three sons were born. Grace and Tommie (Pop) celebrated 55 years of marriage until he departed this life in September 2005.

Grace held many jobs, but her greatest job which brought her much joy was raising her sons and later, experiencing that joy many times over as she cared for their children when they were at work. Pumpkin, as she was affectionately called by her grandkids, was the best. They danced (Tootsie Roll), laughed and always had good food and treats when they were with her. For those who knew Grace, they knew she did not mince her words and she would tell you exactly what was on her mind. This was her way of showing love and, more importantly, pushing you to do and be your best. This special love was also given to all the kids who lived on Manor, as she was a second mom to them. All who met her were instantly taken by her wit, spit fire spirit and overall Grace charm. Grace was a joy to be around and will TRULY be missed. On September 16, 2020, and in Grace fashion, she peacefully made her transition from her earthly home to her heavenly home.

“ *It is so hard to believe that you've passed. You were one of the strongest women that I knew. A second mother to me from the time that I meant you. Your strong will and how you spoke whatever was on your mind was a couple of things that I loved about you. I remember my dad always saying "here comes trouble" when we all got together. And now you, momma and Mable (Lenall) are together again watching over all of us. R.I.H Thank you for coming in and being apart of my life. LOVE YOU Genise "Niecey" Stuckey*

*Tommie I love you and your family. Momma Walker was always an inspiration to me,
and I really loved all the family gatherings we shared on Ashton St.
& 8 Mile Rd.,
From the time You and I Tommie shared our friendship in the 80's
as brothers and computer field engineers, Momma Walker treated
me as one of her sons, and always inspired me to be the best in life
and family love. My Love for Momma Walker and all the fond
memories will be in my heart always.*

“ *Ms. Walker will be well miss. 😞 I can't look across the street and see if she is on that porch so that I can come over and talk to her about whats on my mind or I don't know who is going to remind me to turn on my porch light or watch the house when we leave the house or laugh at someone walking down the street or doing her dance making us laugh. 😊 To her son's thank you for sharing your mom with my family. She was beautiful inside and out. Praying for the family that God will give y'all the strength you need during this time . Take your rest Ms. Walker*
