February 10, 1954 - May 31, 2022

In Loving Memory Of

Grady Conrad Womble was born on February 10, 1954, to Bennie and Ida Mae Womble in Detroit, Michigan. Grady was the eleventh of 13 children born to this union. His mother and father Bennie and Ida Mae; along with Joe, Douglas, Lucille, Zebedee, Bennie Alton, Jerry, Perry (twins) all preceded him in death.

Grady graduated from Cooley High School in 1972. Grady worked at Great Lakes Steel Factory until he enlisted in the U.S. Air Force in 1977; stationed at McGuire AFB in New Jersey and was an honorable Sgt. where he traveled the world until August 17, 1981. Grady also attended the United States of America Federal Communications Commission for General Radiotelephone Operators License in August 2, 1988, to learn the skill of Switch Equipment Repairing and Electromechanical Repair/IT. He worked for the City of Detroit repairing Paramedic, Police, Dispatcher, cars/equipment until he retired in 2017.

Grady never married, or had any children; however, he was a father figure to the large number of nieces and nephews in the family.

Grady loved fixing things and had a gift of doing so. He loved and enjoyed his family, music, and loved TV and staying up on current events. He was well versed on politics; and enjoyed a great healthy conversation on stocks, investments, and cared deeply for the future of the generations to come.

Grady always had a wealth of knowledge and advice to share with his family.

Grady also loved spending time with his family and sitting down having passionate conversations with love, food, and laughter. Grady's quick wit and deep convictions on subjects, would leave you speechless if you were not sure of what you were talking about, and he would definitely let you know. Grady made his transition on May 31, 2022, and leaves to cherish his memory: one brother, Bernard Womble, and four sisters, Patricia Mallette, Althia Vaughn, Sharon Womble and Otha Lee Womble; and a host of nephews, nieces, family and friends.
