“ *I have lived directly across from Mr. Peterson for the last 3 1/2 years, and over this time I have come to love and care for him as my own grandfather. We have had many long conversations, about life and his upbringing in S. Carolina and his journey to Michigan. He has come to eat in my home many days, and I have brought food in his home and broke bread with him. I will truly miss "Pop Peterson " and send my deepest condolences to his family. PS This picture is from about a month ago of him at my house hanging out looking like Mr.T with his shirt open and tons of chains on, lol!*
