

Mr. Gregory Bernard Edgar

May 4, 1957 - May 16, 2018

In Loving Memory Of Gregory Bernard Edgar "Greg":

Gregory Bernard (Greg) Edgar was born on May 4, 1957, in Detroit, MI to R.D. (Robert) Edgar and Lennie Mae Edgar. As a child Greg was curious and adventurous. He was independent from the young age of five when he began kindergarten at Custer Elementary School. On the first day of school, Greg walked to school with his two older brothers and his mother as an escort. When they arrived at the crossing light Greg turned to his mother and said, as politely as a five year old can, "I got it from here. You are making me look like a little boy."

Greg joined the Boy Scouts of America in 1969 along with his brothers, and continued to be a part of the organization throughout his childhood and young adulthood. Greg eventually obtained the highest ranking of Eagle Scout.

Greg attended Cass Technical High School and was enrolled in the Performing Arts curriculum. He graduated from Cass Tech in 1976 and embarked upon a career which took many turns, from retail to catering. Greg was fiercely intelligent and charismatic, and thanks to his charm, he never lacked for employment or people who were willing to put in a good word for him. He was a natural entrepreneur whose talent for hustling to make ends meet made him a legend in his family and circle of friends. Greg was a voracious reader who absorbed information like a sponge. His sharp mind and

quick wit got him out of as much trouble as his adventurous spirit got him into.

Food and gardening were among Greg's many loves. He enjoyed sharing the vegetables he grew in his garden - a garden started by his mother so many years before - with his family and his community.

Greg enjoyed cooking, playing pool, going to the race track, and any activity that involved good company, good food and spending time with friends and family. He shared his resources, information about where to get community help and assistance with anyone who needed help. He showed his love to the Normandy village, who in turned watched over him.

Greg was called home to the Lord on May 16, 2018.
