“ *Dad , I still can't believe your gone .. calling your phone to hear your voice always made me feel better . Even though I was always so far away and not in Detroit is now weighing heavy on my heart! You were my father and of course I love you dearly but I should have been there a lot more than I was !! That means nothing because your no longer hear and I can't fix that !!!!! I'm sorry dad I'm going to miss you . - Your baby Girl* 💕

“ I just want to say that Greg was a wonderful man! I have known him for so many years all the way back to when he was a very handsome police officer. He stayed with my father and I in my aunts apartment on Central when she passed away until her body was picked up. He had several talks with my daughter Marlena to try to get her on the right path before her passing. He loved her so much. He treated all people and their children like they were his own family and we all were). I loved his brother Bobby coming to all of the party's. Greg was always happy when his children and family were together. Great entertainer, father, friend to many. Greg-you will always be remembered and definitely be missed. Love always, Marcelle

“ Always had a way with words. Always gave the best advice. You could be so sad and he would always find a way to make you smile. He was always so full of love. I will remember lots of things like the park bbqs the birthdays the moose lodge competition he would tell me about all of his travels and always made me smile when he sang my girl. There isn't enough time for all the great memories I have with him. We loved him so much.
