“ I went all the way through school with Greg and graduated from Roosevelt high school. In elementary school during the summers, there were a few of us that would ride our bikes over to Grosse Ile from Wyandotte. I can remember when we were in grade school Greg telling me all his brothers names begin with a “G” ...I thought that was so cool. During those hot summers, we would also go over to Pulaski Park use the pool climb around and all over the “bandstand” play “hide n seek” and when the street lights came on we’d have to get home or we get in big trouble!!!...Whenever I see the old movie “Stand By Me”, I think of Greg and some of our buddies when we would start out on our bikes in the morning and never knew where we were going to end up by the evening! As many lives ago, after high school, I went on to college and left Wyandotte!. My sincere condolences to the Mros family. I remember Greg’s mom was always worried about us. Boys asking us to always be careful!!! I know Greg was a good man, loved his family and worked hard at whatever he did....R.I.P. my childhood buddy 🙏😎: 1:

“ *My condolences to the family. Mere words cannot convey the overwhelming feelings of disbelief, numbness and despair that can come from the death of a loved one. No one is ever totally prepared for the death of a loved one, may you draw close to God in prayer and he will sustain you - Psalm 55:22*
