“ *To Denise and Thad, What a great man that you shared with with us! Gus, was a gentleman and a scholar! He always treated me, Lynette and my daughters with the utmost respect. He called us "Premier Ladies" and taught us to never accept anything less from a man. He taught us to respect money and making money. He kept us informed of Thads events and invited us out and we became Thads cheer team. He was and is a great friend to me!*
