“ *Never in my life could I have imagined this outcome. But I know that you are safe and no longer suffering. Gussie, you were such a bright spot at Avalon. To know you was to instantly love you. It was always a good day when I came in and saw your face. We all miss you and love you.*

“ *From your nephew, Josh: (typed by mom...)*

Mommy, can you let T-T know that I'm sad. I loved making her happy and praying with her. I know she's with grandma and papa and they're happy to see her. So, I'm happy that they have her now.

“ *God saw she was getting tired and a cure was not to be, So He put His arms around her and whispered, "Come with Me." With tearful eyes we watched her suffer and saw her fade away, Although we loved her dearly we could not make her stay. A golden heart stopped beating hard working hands to rest, God broke our hearts to prove to us he only takes the best.*

I MISS YOU SO MUCH, BIG SISTER!

I love you. Always have, always will, always did. You are forever in my heart...

“ *To know her was to love her. Her friendship meant so much to me. I will miss her always. She promised to watch over us from above. She was my dearest friend.*
