“ *Mr. Guy Howard Reid III*

“ *To be absent from the body is to be present with Yahweh. I truly believe with my whole heart this to be true with Uncle Guy. Uncle Guy was bold in his walk with our Heavenly Father, he understood that he was in the world but not of it and Earth was not his final destination. Because of this I know he was not afraid to make his transition. Family, we grieve for Uncle Guy because we will miss the peppiness in his voice, his strut when he walked and his genuine good hearted nature. In our sorrow, let us rejoice that he is with the Comforter, the Holy Spirit and in him is the gift of his peace and eternal LIFE. No more suffering, the pains and sorrows of this world are away from him.*

Aunt Mary, Brian and Corey you had a wonderful Husband & Father whose love transcends anything that you can see, touch and feel, his SPIRIT is now apart of you and will remain with you for the rest of your days.

You'll always be with us Uncle Guy, because we will never forget you!

*Love,
Ronda*

“ To my Uncle Guy. I will always remember seeing you in bible class, saying "hey babe" to me, giving me a hug and kissing me on my forehead. It's hard to believe I won't physically see you there anymore but I know you will be there in spirit as spirit lives forever. I know that it is selfish to say that you should still be here with us but you are needed where you are right now...in heaven. What makes me feel better is knowing that you are now in a better place where you are not in pain and everything is more than perfect where you are. I love you!

“ To my loving, kind, gentle yet strong Uncle Guy. Such a wonderful person with such a beautiful spirit. Its still hard to believe that you no longer walk this earth plane and it hurts so bad but to know that you are walking in the light of God with all his Angels and a beautiful spiritual support system has awaited you. They have come for their Angel to do wonderful work on the other side. The pain and suffering has now left you. You can see clearly now, vividly with images and a all KNOWING that all is Okay. Your spirit has always been loving and kind so I know God is shining his light on you everyday. Preparing you for your work, you are now healed. You have touched so many people and I love you so much Guy. I wish I would have said it more often or called just to let you know this and it really really really hurts so bad but knowing that you are completely free and full of so much DIVINE love it gives me comfort that your spirit and your memories are here, because they never die. Spirit never dies. Energy never dies. So I will call upon your name and say hello and ask what are you up to today we will converse through love and I will ask for your guidance and assistance and accept that Gods plan is much greater than any plan that we could ever conceive. I TRULY LOVE YOU UNCLE YOU WILL FOREVER LIVE ON. God Bless My Auntie Mary and my Cousin Brian and Corey. God and Uncle Guy I ask that you watch over them and help them get through these very tough times That all they need to do is call on you and you will be there with open arms shining your divine light and heavenly love upon them. I am here if you need anything.

Love your niece,

Tami

I love you more than words can describe.

“ *Smooth Uncle Guy. It hurts that you have left us on the earth but we know you are more spiritual than anything. Yahweh has finally brought you home. No more suffering, no more pain. I know you are with your brothers now. I'll be with your son to help guide him on our path. We cant be selfish to want you to stay here in pain. So let your spirit be free until the next time we meet Unc. Love you. -Brandon*

“ Guy was such a wonderful, kind, smart, funny, and respectable man. I remember when Tami and I were little girls we would spend the night...we loved the tire swing in the backyard and pinball machine in the basement sometimes the machine would act up, Guy would come down to fix the machine humming a tune or jokingly asked, "What yall do now?" In many aspects Guy was the fixer, the one who took care of business, the one who gave sound, rational, and MATURE advice. There was no negativity at all associated with this man. More than anything else I'm going to miss his physical presence, he was tall, dressed comfortably and a true, true gentleman. I LOVE YOU GUY and I know that spiritually you're with us.

“ May Jehovah comfort and strengthen you and your family during this difficult time. May you also find comfort from God's Word the Bible that speaks to us of the resurrection hope from Jesus' loving ransom sacrifice. We know God is a hearer of prayer and a refuge to us. (Psalms 65:2, 62:8). Take comfort in knowing Jehovah "heals the broken-hearted and "He binds up their wounds." You have our sympathy & prayers... Bro. & Sis. Jenkins - Mt. Shirley Gates-

Dear Reid Family, We are sooooo sorry to hear about Guy and you have our condolences. We (Doris Ellison, Debbie Mckissack and Shirley Gates-Boyd) worked with Guy at the News. He was the nicest, soft spoken person you would ever want to meet/know. Please take comfort in knowing that he's with family and friend that's gone on before him and that you will see him again... (Jesus Christ is our Savior)..

“ *Death is man's greatest enemy, we all need the help only our Redeemer can give. Remember his promise at John 5:28,29, this is a real hope for the future of all mankind if we will just exercise faith in Jesus and his father Jehovah.*

Let your Brother Michael Reid help you understand the real hope for our future.

Sorry for your lost.
