“ *Gwen took me under her wing when I came to Blue Card. She trained me very well; we then became friends. I will miss you!!*

“ *To the family of Gwen Bingham. Please know that you are in my thoughts and prayers. I was really sad to hear of Gwen's transition. I met her while an employee at BCBSM. She was a lively person and could always bring a smile to one's face with her comical comments. May you find peace in the comfort of the Holy Spirit and the love of God.*

“Gwen was my Trainer when I started in the claims department at BCBSM. I learned so much from her. That training started me on my road to success as a claims processor and Customer Service Representative. Later when I became a trainer, I had the privilege of co-training with Gwen and that's when we became friends. We worked together over 15 years and shared many work experiences, and we both retired the same year. She was a delightful happy person who could light up a room. I am going to miss her and will never forget her beautiful smile.

“Somewhere along the way, Gwen did not say goodbye when we ended our phone conversation; instead, she said "Toodles". That would always make me smile.
