“ Brother Dave,
Throughout the years of our friendship, I witnessed the agape love you and Gwen shared. The joy and the smile on both of your faces was always a pleasure to see. Raising three intelligent boys, instilling morals and values, and love; represents true epitome of family Love. My brother the aches and pains are unbearable, but know that God has the power to strengthen you, and heal your heart, turn your tears of sorrow into tears of joy reflecting on so many precious memories you shared. David, Donate, and Dorian, Your mom wings will always fly over you, bringing comfort, and protection during your most difficult times. Her love will never be forgotten! 🙏❤️ Love uncle Don and aunt Tranetta! 🥹
