“ Dear family,

*I was heartbroken to hear of Gwen's passing. She's a precious angel gone too soon. The Gwen I knew was always so warm and loving. She had a genuine heartfelt hug that was so welcoming along with that warm smile and very pleasing personality. It was a joy to be around her and I always looked forward to our next time together. God had other plans and she is in His arms now. She will always be in my heart - gone away but not forgotten. Rest now. To my family, I send my heartfelt condolences. One of my favorite songs is "Never Would Have Made It". The road ahead may not be easy but God will hold you and see you through.*

*Love - your cousin
