

Mrs. Hannah Greenlee

October 31, 1936 - October 15, 2014

Homegoing Celebration For Hannah Greenlee:

Hannah Greenlee was born October 31, 1936 in Kimbrough, Georgia to the union of Percy and Eliza Williams. She was the youngest of seven children and was greatly loved.

In 1964 she moved to Stamford, Connecticut. Shortly after moving there, she met the love of her life Willie Greenlee. They spent 35 wonderful years together. Hannah and Willie enjoyed picnics, cooking out and huge family dinners at holiday time. Hannah had a young spirit and a youthful appearance even into her golden years. She loved fashion shows, dining out, and was first on her block to get and enjoy cable TV.

Hannah joined Greater Faith Baptist Church in Stamford and was a member under the leadership of the Rev. Dr. Lorenzo Marshall Robinson (deceased) for several years. She later joined Community Tabernacle Church. She was a very faithful member and served well under the leadership of Bishop Michael Densmore.

Throughout the years, Hannah nursed and cared for many as an employee of the prestigious Nurses Registry of Greenwich, CT for more than 20 years. One of her greatest gifts was encouraging people. Everywhere she went she ministered to people. She also had the opportunity to minister to people of

different cultures and backgrounds. She never met a stranger because they were immediately drawn in by her friendliness and contagious personality.

She was totally devoted to her family. She kept in contact with her extended family on a daily basis. She was feisty, full of life and had a genuine love for all people. We will miss her laughter and colorful personality.

Hannah, her granddaughter and great-granddaughter relocated to Detroit, Michigan in 2000 where she spent her remaining years. Under the leadership of Pastor Barry Ginyard, she became church mother of Refreshing Springs COGIC. Her final church home was Life Church, COGIC under the headship of Pastor Anthony Starks.

On October 15, 2014 this precious prayer warrior left earth to live again in the Presence of God. Hannah's presence on earth will be greatly missed.

“ *Today I struggle with what memory of the 30 yrs I got to know Mrs. Hannah by being friends with the apple of her eye, Tiki. I got the pleasure of having another grandmother who didn't treat you any different. If she yelled at Tiki and you were there you got it too. That meant she loved you. I will miss you and know I'll see you soon. To my friend she will always be there for you now just as she always was in the past only difference is your not gonna know where next to you she is but you can grantee she not leaving you,or girls. A guardian angel for life.I hope her and Mr.Willy are dancing with joy to be reconnected. Sending you all my love your friend
