“ Dear Anice and family,  
I am so very sorry to hear about Harold's death. He always seemed to fill the room when he came to visit the EIDC office with his presence and voice. I just remember smiling at his antics, and your response. Our hope is that your memories of him will be a blessing through this difficult time, and a source of comfort forever. Love you so much xoxoxo

“ To the Upshaw family. It's hard to imagine that our brother and friend has gone on. We will miss his humor, and love that he shared. I will miss his conversations, and the early morning phone calls. As an Aries as well me and Harold always bumped heads in a good way. He will truly be missed. Just know that we are here when ever the time is right for you to come.

*Love always, Dwight and Judith Braxton.*
