“ My mother kept a garden, a garden of the heart, she planted all the good things that gave my life a start. She turned me to the sunshine and encouraged me to dream fostering and nurturing the seeds of self-esteem...her constant good example always taught me right from wrong. Markers for my pathway that will last a lifetime long. I am my mothers garden. I am her legacy. I hope today she feels the love reflected back from me. Love you Mother rest in Peace!
