In Loving Memory Of:

Henry L. Crump, Jr. "affectionately known as Lee," was born on October 15, 1948 in Detroit, Michigan to Verna and Henry L. Crump, Sr., who preceded him in death. Lee accepted Christ at an early age and was a devout member of El Bethel Church for over twenty years, serving as a Deacon.

On September 4, 1993, he united in marriage with the love of his life, Maggie. No children were born to this union. Lee graduated from John F. Kennedy High School in Taylor, MI and began a career in law enforcement in 1971. Lee graduated from the Detroit Police Academy, Northwestern University School of Police Staff and Command, United States Drug Enforcement Academy and the FBI Firearm Instructor's School.

Lee began working for the Inkster Police Department in August, 1972 and retired in October, 2000. He held many positions within the department as he advanced through the ranks, receiving numerous commendations and

citations along the way. Lee always stressed the importance of integrity and character in his leadership positions and retired as Deputy Chief of Police, City of Inkster.

After retirement, Lee continued to serve the community as City Councilman and Trustee on the Policemen and Firemen Pension Board.

“ Maggie & Family,

During this difficult time, my family and I want to give our deepest condolences and prayers from Alaska. We will miss his presence, his thoughtfulness and great smile.

Like a big brother, more than a second cousin teaching me things that I continue to use today. His visits to Alaska will always be remembered and he will be missed deeply.

“ I remember Lee pulling up at my mothers house on this big motorcycle, I was all like 🤯, when I saw it , he was talking to me about it , telling me it got this and that , I heard absolutely nothing cause it was just so big, He put me on the back of that bike and drove me all up and Longview, I also remember my father and Lee kickin it on my grandmother’s front porch talking about their Mississippi days lol it was truly one of many great memories of him, he will be missed a great deal, and loved tremendously .

“ Absolutely no doubt, one of the finest law enforcement officers ever. Not to mention a fine person overall. His presence will be missed but his legacy will live on.
