“ Henry's a beautiful and thoughtful soul that has moved in and out of our lives. He and his family were a pleasure to grow-up with and know. He was such a comfort to me when I lost my Brother and Mother. He will truly be missed. We're wishing his family Love, Peace and Blessings now and in their many tomorrows. *To Lucy ,his children & family,  
Please accept my deepest heartfelt condolences on the passing Dr. Dandridge (Henry). We met through his cousin, Naomi Metcalfe and became good comrades many years ago when I yet lived in Detroit. What fond memories I have of good wholesome fellowship. Then ,when Henry lived & worked in Columbia, South Carolina, my home; he allowed himself to be an asset professionally. He indeed was am " a mover and a shaker".*

*May the God of Comfort give you and your family Strength and Peace during this time of sorrow. I love you all. Just trust God & lean not to your own understanding.*

*BLESSINGS,*
