“ To the Harris family. The Brown family. We are so sorry to hear the lost of your family member. We all grew up together all one family. We will miss Henry C. He was always the same. He never forgot our humble beginnings in COATOPA ALABAMA. That was a good thing. The Thompson and the Watson family. Thank you.

“ *Uncle Henry was the gentle giant, who never had to raise his voice to get his point across. I would spend my summers or school breaks with my dad and they always included time at Uncle Henry's house. When I returned to WV, he made me promise to call and check in with him. I am thankful to have known him and that he is my family.*
